Champion Canterbury Awards postponed

A decision has been made today to postpone the 2010 Champion Canterbury Awards to avoid adding further pressure to city services.

“It was anticipated that we would run the Awards to reinforce the resilience of Canterbury business and demonstrate the importance of celebrating business success. However, after learning the full extent of the damage to city services and in particular in the central city, we have decided to postpone the event” said Peter Townsend Chief Executive of the Canterbury Employers’ Chamber of Commerce and Chairman of Champion Canterbury Ltd.

The decision was made in the interests of keeping pressure off the city’s infrastructure and out of respect for the personal burden that many businesses and individuals are facing as a result of the earthquake.

“We will within the next week advise a rescheduled date to run the 2010 Awards in Christchurch.

Our thoughts and support are with the business and community as a whole as we all work together to rebuild Canterbury’s resilient business base” said Leeann Watson General Manager of the Canterbury Employers’ Chamber of Commerce and Director of Champion Canterbury Ltd.
